Brick #1 Bricks will be engraved with centered letters.

Brick #3 Bricks will be engraved with centered letters.

Brick #5 Bricks will be engraved with centered letters.

Brick #7 Bricks will be engraved with centered letters.

Brick #9 Bricks will be engraved with centered letters.

Brick #2 Bricks will be engraved with centered letters.

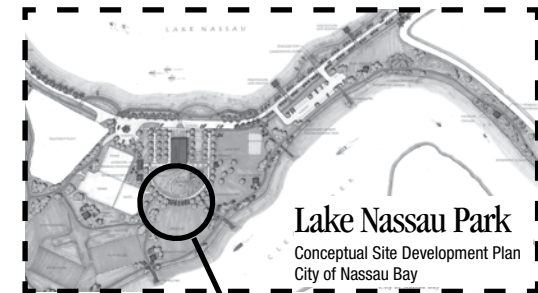

Brick #4 Bricks will be engraved with centered letters.

Brick #6 Bricks will be engraved with centered letters.

Brick #8 Bricks will be engraved with centered letters.

Brick #10 Bricks will be engraved with centered letters.

The Parks Committee's master plan for major enhancements to Lake Nassau Park has been in the works for years, and work has begun on Phase 1 of a Walking and Jogging Trail along Clear Creek. This is just one of several proposed projects including: pavilions and walkways extending out over the lake and Clear Creek, better parking and lighting, new restrooms, and ballpark renovations, to name a few.

Purchasing a Legacy Brick is a great way to help fund Nassau Bay enhancement projects, and be recognized for your contribution. Your \$50 Legacy Bricks will become part of the pathway to the new gazebo in Lake Nassau Park. The bricks cost CANBE \$12 each, so \$38 goes for enhancement projects.
